ENGLISH TRANSLATION

To abolish an existing (IL-) legal system is possible much faster, than one not familiar with *structural diagnostics* may think. Wanting to lever out and end the system is not possible under any circumstances using systemic practices. Any verbal or written affirmation of so-called laws, regulations, contracts or conditions of the unloved and imprecated system for the planned abolition, resembles an alcoholic, who tries to fight his addiction with alcohol or the well-known attempt of extinguishing a big fire by pouring large quantities of an accelerant into it.

The entire political WORLD, all so-called "STATES", are under the umbrella of a united commercial law, still. The Satanicum, which already legally ended on 25 December 2012 in Rome rules through the UNIFORM COMMERCIAL CODE (UCC) created by its machinations over all commercial law fake states worldwide, except Russia. Commercial law cannot be equated with constitutional law, a minor-structured trade organization, such as the private "GERMANY" belonging to the BROTHERS OF THE UNION (B'NAI B'RITH) from Israel, was never generated as a righteous state construct and will never be able to be a state, as already mentioned, since that was not the purpose of the creation of this simulation. This only for repetitive introduction.

This is only about the UCC.

To define it only sporadically and not explaining all scopes, REGIStering a "STATE" by means of entry in a commercial REGISter - here again the VATICAN UCC is mentioned - is only about the flow of information about the founding of a new company or rather a new structural fabric within an existing company or the disclosure of ownership rights via commercial law collateral,. Simply put, who tries to secure ownership within the commercial law, openly states his wishes and will, so that on the part of the possible third party objection can be made, which may possibly has its own entitlement to the collateral or maybe has already obtained it. If no objection is made within a certain period of time, the request of the registering person is to be granted. We are still talking about commercial law, which, as we learned, a) is of satanic origin and b) is not, cannot and will not be constitutional law!

Nothing else, than to secure an area within the structures of commercial law without the objection of third parties has Geikler, Maik, done, who came to claim a rather common title, which, if we go back to the german language: " herzog, um Groß zu werden (moved here to become great)" ... A Groß-her-zog (german for:Duke).

With the entry within the "FINANCIAL STATEMENT 1" of the UCC in DELAWARE, this also still secured by system-relevant UCC ADVOCATES, the man, wanting to become tall, gave up all rights to three "German" states legally secure - for as long as the UCC exists! - to the owners of the UCC structure, the Satanicum and the pack of lions. Geikler, Maik secured himself, or rather the background powers within the UCC trade law structure, a profit area, that belongs to the Mecklenburger people, sets himself above the people of this region, subjugates those, taking 25% of their energies, steals from them their real estate property, all of course in the pretext for the love of Irtha, hides the state gold belonging to the people of these three regions, acts like Lord Shit of the Dukedefacation, all this with a total of 14,000 following him completely mentally exposed to the Zionist relative of Rockefeller?

My request not to be misunderstood again is directed to the knowledge-hungry, the ones, placing every word due to their misunderstanding, on the gold scale. Let us look at this soulless guy once again, so we do not have to waste our time with his misery anymore:

The problem is not Geikler, Maik, but his lack of intelligence and the even less available intelligence within his following! The man keeps himself by means of his instincts of lower scavengers in the bottom of the society, tries thereby to use even lower greedy ones for his

advantage (see Tobias Sommer) and the same way he will (have to) emaciate 'his' "**FOLLOW!**" in the course of the continuing exploitation, because from somewhere the money for the maintenance of an economic entity has to come.

Geikler does what it is necessary, although he complains about the immensely depressing state of families and pensioners of Mecklenburg - all this in a more than inadequate German, he also reaches into the pockets of the "FOLLOW!", all of course for the benefit of the ... *yes, who actually?*

In the future, he will put off vacation guests and buyers by means of high taxes, investors will be alienated, the good man hides the state gold belonging to the people, since it is none of the business of the "FOLLOW!" where that is.

Geikler, in league with the most evil animal humans in history, is himself a carbon-based inferior (Carnivore), will, if at all, hold out for a few days with his unspeakable lies ... This video linked yesterday on the 666-channel of Tobias Sommer is a true wake-up call for real conscious, even for not yet advanced students. Mecklenburgers, if they are not swimming in the same spiritual pool than named man, will seek the distance, will move to other regions, where empathy and gentleness dwells in people, provided, that this man had really something to say one day. I can reassure you: He will not, don't worry!

*"How could I allow myself", a reader's question, "to humiliate the highborn in such a way, to call him stupid and calculating?"* was just addressed to me via TELEGRAM. So for better or worse, I am forced to waste my time again with Geikler, Maik: For this I only put a few examples into the focus of the readership, I could, just for today's video contribution, write a whole book...

The "*Wizard of OZ*" succeeds, as he repeatedly explains himself, with "simplest mathematics" at creating from 14.000 followers on the platform of his Jewish friend Zuckerberg, FACEBOOK, 2 million followers on his channel. This man must have really been paying attention at a Rothschild bank! But the laws of nature in mathematics are not that easy to manipulate, Maiki. Even the sinister looking Christiane - her eyes give away the evil, that dwells within her - had her jaw drop, when she heard Geikler's answer, and the man in the picture below, the editor of the magazine "RETARD", agreed with the announcement of his lord and ruler as always - still sucking the last faeces from kissing his lords ass from the corners of his mouth.

So how does the jester succeed to, let's call it for simplicity's sake: calculating, from 14,000 followers and approximately 1,500 prospective customers, who read the articles in RETARD magazine, a total of 2 million followers using "*the simplest mathematics*"?

Gaikler, Maik explains: It (the creation of the two million lying followers from a pool of 14,000 definitely existing) is really simple: He himself places in the mentioned portal contributions about his work for the future exploitation of the people of Mecklenburg, these contributions are viewed by his followers, only viewed, not even "liked", resulting in click numbers, i.e. counter values. If one adds up all click numbers of all contributions over an eternally long time period,

... unfortunately I have to laugh again so hard, because of the impudence of this guy,

... one comes to about 2 million.

Aha, that profitable functional are "*simplest mathematics*" in well-born circles of a person, who is copying Rothschild's dynasty by default. Now I'll do the math for my reader numbers, of course also using simplest mathematics. My about 1.500 messages in all these years were studied by about 50,000 readers per issue ... 75.000.000 followers? I must be an absolute superstar in my profession!

Thank you, from my heart!

A second, but now really the last topic, since the spiritual poverty theatricality of this wannabe takes a toll on my mind, which is already more than tormented by laughter attacks:

Donald John Trump, President of the UNITED STATES OF AMERICA, was on a state visit to Mecklenburg-Strelitz, top secret, of course. Maiki also presented this joke in the video. In Rostock-Laage the "Airforce One" presidential aircraft landed, which otherwise can only land at major airports, because of its immeasurable size and weight of the security protection on board. The runway in FFM, as well as the one in MUN and, of course, the new BER, are designed for large-capacity machines of this class. Recently – *since the wannabe Grand Duke would certainly not lie, this creates a long nose ... oops, too late already ...* - President Trump lands, followed by three further machines of this type in Rostock-Laage, followed and surrounded by helicopters, just like in American fairy tale films. I know the airport, they must have built a lot of runway since my last visit. Otherwise we would have already taken note of the crash landing of the A1.

Now GH Friedrich Maik is sitting with his state clothes printed for 6 Euros at the Shirtmaster with DJT and his lovely wife, together with a few hundred security men, at Geiklers home under the roof of his attic apartment and play state reception there. Did they all sleep in the same bed and ate from the Geiklers plate, all under the sloping roof, from which he represents his future kingdom? I love fairy tales!

And where, thrown into the room only as a question, did the entire convoy of the state coach park? Since this convoy is not to be equated with Geikler's moped, when he goes to get bread at baker Gabian next door. Of course he can have his small moped in the shed at grandma's place. Did all the big, heavy transport equipment, including armament, accommodated in the same bicycle shed, there, at the small attic apartment, where the Maiki lives, which he can still afford?

Maik travels all over Mecklenburg, hunting ballot papers. During small, 'popular' and well-known Verunstaltungen (german for: disfigurement) resembling coffeetrips, ...ah: Veranstaltungen (german for: events) of course, the "FOLLOW!" of the Mecklenburgers is lured into a coming monarchy of a man wanting to become great in the future, since he is absolutely dependent on the consent of the subservient behavioral people, because what would one be, who moved here to become tall, without smaller ones around him? All that with plenty of dead animals on the table. The true people play the first fiddle in such a 'peaceful' war takeover of an area, with which also each doubter should finally clearly understand, WHO REALLY HAS THE POWER IN THE STATE!

Not the 14.000 ... um... two million, that is to say the few people, who are even more inferior in the imprint of their BEING, as the moped-driving wannabe in the state top floor apartment. They want an absolutist ruler, who already now with his UCC lawyers sues all of his lower "FOLLOW!", if they perform a ceremony at the grave in memory of Grandma. This is of course desecration of the grave. But what Maiki tries to do with his desecration of land and people, everything legally, Israel has clearly confirmed. Who else!?

That Maiki now also wants to take Prussia under his nails ... that's where the fun has quite clearly come to an end, my dear! Do everything, fool your few people, suck them out and play with Judas and your greedy people around you a common amateur theater. But if you try to claim our Heimath - ownership in the highest divine sense of the Prussians - very soon one will beat you up, with whom is not to be joked, let me tell you this much, no matter, who thinks to protect you or to be able to protect you at all. From him you will not be able to hide yourself in any attic apartment and certainly not be able to crawl away in granny's shed!

Let us turn to the positive, above all bearable events... Someone, who due to the stumbling minds did not receive enough attention lately: The INVINCIBLE:

In the contents of past messages I revealed to the readership: there will be no continuation of the USA's further claim of power on our home soil, also President Putin and the powerful ones, who control him have a peaceful co-existence between our brother nations in mind. Instead of decomposition, bio-logical life, instead of deathly destruction. The reversal of the upside mis-hewn evil, which belongs in the lowest dungeon of its own dark energies, is placed in the cosmic order according to the usual state, all this by ONE POWER, which now already determines the fate of the world stage in the invisible background. To this One POWER is also I, as well as thousands of the pure people, that are bound by oath.

Numerous, tens of thousands of new readers found their way to us and to the elementary truths of the opening water jug age. Never before have the events described by ancestors been so relevant as today. Key milestones in truthful reporting today are both the ISAIS/Ishtar, but also the high priestess of the king Nebuchadarsur, the Sajaha, who in 31 messages (19 of which are summarized in a readable form for the public), sparked quite a sensational interest on the part of the "*lonely ones*" dealing with the topic of system change.

In the center of all the ancestors, we find the "virtues" of the old-established pure people, which were given to us, and which on one hand result from our elementary inner strength, defensiveness, purity in relation to the purest triune nutrition - thus also the thinking and feeling - and concentrate on the special SURPERHUMAN GEN, the "Holy Mind", which is slumbering within us. Holy mind-power does not mean to simply think and as a result to know, that I am. This is stuff from the magic chest of black magicians. I am, without a doubt, and not only the little, that they want to grant me, but everything, the big picture and every part of it. That, which I am, cannot be defined, it is the ALL, that creates and is the created at once. Just as I am the ALL, so you are also the ALL, only from the point of view of your BEING. WE, together, are GOD, not only part of ALLPOWER, but THE ALLPOWER. This only as a tiny little aspect of an unexplainable explanation.

**POWER is never, in any imaginary scenario, physical!** You must understand this. POWER is always of spiritual origin! To be able to exercise real POWER, requires at least two sides, one side, which is powerful and a second side, which believes the first side. Is the first page filled with all kinds of faith indoctrination and the second page possibly out of belief in the widespread non-sense in fear, then the first page will be successful, as in powerful against the second side.

For a better understanding of this: You are standing in the ring, a 220 kg man opposite, a single muscle wanting to crush you, roaring and grunting, clenching his fists together. Every clumsy, helpless person would prefer to flee the ring for fear of possible painful consequences. This is how the USA presents itself. The other company states know, that the USA spend trillions of fake money for their armor, which makes them so immobile, the entire US plunder resembles a scrap yard. Against them stood once the Russians, a bright folk of real professionals, who didn't waste their time in self-praise and shouting, but made their progress under the radar. So please imagine the two opponents in the said ring. The little one knows about his SELF consciousness, that giant must earn this with all sorts of fuss. Provided the little one would believe the stammering, added to certain

doubts about his own tininess, the alleged giant would have a very massive lead. But the small one knows exactly about its speed, has within seconds so much effect on the immobility of the big guy, that he will perish due to his own obsession.

POWER is your tool, to believe, what you can only be in truth: your ALL-POWER. Only you can be your own opponent, only your doubts are responsible to seal your doom. Only you are your greatest creator, but also, if you are outside of your center, your greatest enemy. Power always needs a corresponding counterpart, which is trying to measure your own power.

And now we take the guy from above as a bad example again. It takes a folk, settled very low, who can do nothing, who can not even speak German, let alone be able to read contracts or generate knowledge, like the banker apprentice himself, that was entrusted a task to be allowed to be a great one once. There are, at the most 50.000 morons, who are already with both legs far away from the sanity (!). A bright, upright and awakened spirit, wouldn't believe Maik for a second, its power is that of a wanna-be, who will remain such for the rest of his life in this world, if he does not make great mistakes, otherwise he will not even be that anymore.

But always be aware of your ALLPOWER and do not let yourself be drawn in the hole of doom by external topics. You can only be victorious, if you want to be victorious. A mentally weak can and will never achieve victory, he keeps HIS SELF small. Work on your straightforwardness, stand like a one with your head in the sky, do it like the animals in the animal kingdom, who, so danger threatens, make themselves tall. Show what is in you, look deep into the soul of the people and prove them, You are the POWER, not them. Be firm in knowledge and in word. That which one thinks to ask you about, must be turned against him as fast as lightning like a spear. Always set your height against their inferiority, YOU ARE IN ALL CONCERNS THE POWER PLANT - they only headless spare parts, if so much at all. And when you will have understood, internalized and implemented all that written, then you will also understand the emergence of the third SARGON!

**Do not seek Him on the outside.**

In Liebe und Verbundenheit
